Questions and Answers for Clarification

The State has determined that it is in their best interest, and those of applicants, to provide all applicants questions and answers to any questions posed post-conference.

Question: Has this program requested applications before? If so, what were the results of that program?

Answer: Nine (9) grants were awarded up to \$10,000 each.

Question: What is the nature of the in-kind match required?

Answer: Primarily staff time, but other examples of in-kind would be space requirements, printing costs associated with material production and the contribution toward materials for program activities that exceeded the amount of the grant.

Question: How long is your internal review for planning purposes for material production?

Answer: ADHS anticipates two (2) weeks and then another one (1) week for contract signature and Purchase Orders to be mailed to vendors.

Question: The date specified in the RFGA for completion of the program is June 29, 2007. Is this correct?

Answer: The ADHS is revising the term to be six (6) months) from the date of the grant award to complete the grant requirements. Example: if the contract is signed effective March 1, 2007 the contract would expire September 30, 2007.
